Summer Assignment**

Students are strongly advised to obtain a personal copy of the AMSCO Advanced Placement United States Government & Politics, 3rd Edition, Student Edition Softcover book at one of the following websites:

<https://www.perfectionlearning.com/advanced-placement-united-states-government-politics-3rd-edition-t3202-g.html>

or

This is the primary text for the class. Ensure that it is the ***3rd Edition***.

Get a copy early – the closer we get to the school year, the harder they will be to find. If any student is unable to acquire a copy, one can be provided for them but it must be taken care of throughout the year and cannot be marked in.

Also, students are advised to get the following supplies:

- Black or Dark Blue Ink Pens (all work to be completed in the same color ink)
- Wide (Non-College) Ruled Loose Leaf Paper (no spiral bound notebooks)
- Highlighter(s)
- Three-ring Binder (1½ or 2-inch binding recommended)
 - Binder divided into two (2) sections: 1) Notes and Handouts and 2) Writing Workshop and Essays.
