CHS Football Meeting
for all football players
"including rising Freshmen"
1-23-2023
6:00PM
CHS Cafeteria

Program of Study Fair

@ CHS

Rising 9th Graders

1-20-2023

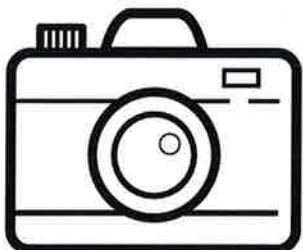

Attention 8th Graders and their parents:

The Program of Study is an opportunity for students to visit CHS and explore their CTE department. Students will be bussed to CHS where they will spend the morning visiting each of the CTE programs to receive an up close and personal demonstration of what it has to offer. This will give students a greater understanding of the classes that will be offered to them at registration time.

Friendly

Reminder:

If we have a delay and operating on a 10AM start schedule. There will NOT be morning LEAPs.

get ready to smile.....
