**YOUR
ATTENTION
PLEASE!**

**QUALIFICATION CHANGES
HAVE BEEN MADE TO THE
LEAPS & 21ST CENTURY
BEFORE/ AFTER SCHOOL
PROGRAMS**

PLEASE REVIEW CHANGES BELOW

**BEFORE AND AFTER SCHOOL PROGRAM
QUALIFICATIONS**

1. The Tennessee Department of Education has made significant budget cuts to the Leaps & 21st Century before/after school programs.
2. Due to these cuts, PCSS will use a priority assignment scale to determine student eligibility.
3. Students meeting the Priority criteria to participate in LEAPS/21st Century are assigned priority to participate in after-school programs. Other students wishing to attend an after-school program will be placed on a waiting list and given opportunities to participate as space allows.
4. Multiple students who were eligible in the past will no longer receive an invitation to attend. Families need to make adjustments to their childcare plan this school year.
5. An elementary student must attend programs three days a week to be eligible to continue in the program.
6. A middle school student must attend the Programs twice a week to be eligible to continue.
7. To continue the program, students must follow the Discipline Policy in the Parent Handbook
8. This program is not a homework-help program. After-school programming is to help students with academic deficits and standards deficits.

The Student Priorities are as follows:

Priority 1 students:

State Custody

Free/Reduced

**Educationally Disadvantaged
Failing to make adequate yearly
progress school data 25% and
below**

Risk of Failing

Priority 2 students:

Chronic absenteeism

**Educationally Disadvantaged
school data 26th%-40%**

Priority 3 students:

**Siblings of students that meet the
criteria for Priority 1 and 2
Educationally Disadvantaged
school data 41%-70%**
