If you have not created a Parent PowerSchool and completed your student's on-line forms, please take the time to complete this process. AMS will begin making individual calls home to assist parents with this process if they are not completed. This is a requirement by the state and we have a limited time to be in compliance. Thank you again for your assistance with this matter.

Congratulations to our AMS students that participated with the Jr. CAVS XC Team. They took home 4th place out of 30 teams in the Mid-State Cross Country Associations Championship Meet. Congrats again boys and girls!!! Way to pull together and represent our community.
