All information provided is correct to the best of my knowledge. If at any time this year this information changes, i.e., I change vehicles, exchange vehicles with a relative, etc., or get a new license plate with a different number, I will notify Mrs. Martin in the Commons Office immediately- as close to 8 a.m. as possible, and provide a copy of the new registration and insurance.

Students: If you choose a parking space located directly outside the Fine Arts area of the student parking lot, which includes parking space numbers 23-284, it is mandatory for you to have your vehicle moved before 3:15 p.m. every day due to band practice. If you choose one of these spaces, remember your space must be vacated by 3:15 p.m. - NO LATER. If you are involved in an extracurricular activity or any school field trip that would be after hours and will keep you after school regularly, we strongly discourage you from choosing one of these parking spaces as you will be expected to have your vehicle moved by 3:15 - no exceptions. If you choose one of these spaces and you do not adhere to this policy, you will be reassigned a new parking spot on your first violation, or, if the administration so chooses, your car may be towed at your expense. If a student is expected to be on a trip or in after school detention then he/she must make prior arrangements to have his/her vehicle moved by the proper time. NO EXCEPTIONS WILL BE MADE.

*****PLEASE SEE REVERSE SIDE FOR PARKING RULES*****

2022/2023 PARKING SPOT INFORMATION

Parking spaces for the upcoming school year will begin April 4th. Sales will be during lunch only. We will have announcements each day as to what grade level will be offered the chance to purchase a parking space that day.

We will begin with rising seniors. When each senior has been accommodated, we will move to rising juniors and then rising sophomores. Although spaces will be issued, parking hang tags will not be given to the students until the beginning of the 2022-23 school year when students pick up schedules.

To speed up the process please stop by the Commons Office and pick up the parking form to have it filled out ahead of time. If you have questions see Mrs. Martin in the Commons Office.
